MOTOROLA

**Speed. Precision.
Teamwork.**

The things that make the Motorola Cycling Team a winning team are the same things we believe in as a company.

**Speed. Precision.
Teamwork. Embracing
these beliefs has made**

Motorola a world leader and innovator in many fields.

Motorola's major equipment businesses include cellular telephones, two-way radio, paging and data communications, personal communications, automotive, defense and space electronics and computers. Motorola chips power communications devices, computers and millions of consumer products. With annual sales of \$27 billion and

operations in more than 40 countries, Motorola employs 142,000 people worldwide.

Since 1991, the Motorola Cycling Team has exemplified the power of teamwork and the drive to compete and excel. Their many successes are the result of dedication and commitment. We look forward to an exciting season in 1996.

Our 1996 cycling season is dedicated to Fabio Casartelli (1970 - 1995)
